SAMPLE KIT RETURN FORM

Please follow these instructions when returning a sample kit for refund:

- 1) Make sure that all pieces of the sample kit are packed in the box. Use foam or other packing material to fill up the empty space.
- 2) Print and fill out the bottom half of this form and include it inside the box, on top of the samples.
- 3) Close and tape the box securely.
- 4) Cover up or cross out any previous mailing addresses and barcodes.
- 5) Address and send* the package via US Mail to:

THE CABINET AUTHORITY, LLC PO BOX 272 NEWTOWN, CT 06470

*If sending via UPS or FedEx, use this address: 2 Ferris Road, Newtown CT 06470. Kits sent to the incorrect address may not get delivered and therefore will not be refunded!

If you paid for the kit via credit card or debit card, we will issue the refund to that card within 2 weeks of receipt of the kit. If you paid via check, we will mail a check within 2 weeks.

This refund offer is valid for 5 months from the date we ship the kit.

<< Please pack pieces with labels facing each other. This prevents the label ink from rubbing off on the finished samples. >>

PLEASE FILL OUT THE FORM BELOW AND INCLUDE INSIDE THE RETURNED KIT. IF MULTIPLE KITS, PUT ONE FORM IN EACH KIT.
